

THE BEST JUST GOT BETTER

Because now you have a choice with Catchmaster's

72MB

One of the best mouse boards on the market today - the 72MB now offers you 3 levels and a total of 6 choices. In addition, this duracel work horse doesn't get hard or rubbery in normal home use (not in excessive dusty areas) and is guaranteed by AP&G for 1 full year. Also, check out our New revolutionary tunnel shape and our new easy release liner.

18 year old special formula

Level #1 72MB Super 6.0
6.0 lbs total weight per case
